Parent satisfaction is important to SABIS® Educational Systems. SABIS® U.S. schools actively solicit parent feedback and input through multiple channels, including parent surveys, e-mail communication and The Parent Connection.

The high level of satisfaction among our parents is demonstrated by the following facts:

- ✓ 99% of parents agree or strongly agree that IAF has high expectations for their child's learning.
- ✓ 96% of parents are happy with the academic standards at IAF.
- ✓ 91% of parents agree or strongly agree that their child(ren) look forward to going to school.

The results of the 2007 / 2008 parent survey are summarized below. The table is a sampling of statements, along with the percentage of parents who responded with agree or strongly agree.

<u>Question</u>	<u>Agree or Strongly Agree</u>
? Teachers at the school help my child work toward achieving his/her full potential.	93%
? The school staff actively and effectively reinforce moral, ethical, and civic values.	92%
? The school expects high standards of student behavior.	99%
? The school motivates my child to learn.	90%
? My child's building is neat, clean, and well-maintained.	95%
? Overall, I am satisfied with the quality of education my child is receiving.	94%

// What I value most about IAF is their commitment to a very good education. I feel assured that when my children graduate from this school they will definitely be prepared for college. //
